

Pipes

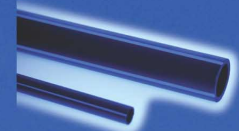

TYTON® Ductile Iron Pipe
DN100 - DN750 . Class K9 & K12.

Flanged Pipe
DN80 - DN750. Class 16 & 35.

PVC Pipe - UPVC, MPVC, OPVC
DN80 - DN450. Class 12 & 16.

Polyethylene Pipe (MDPE)
DN25 - DN375. Class 12.5 & 16.

Fittings

READYTAP® Pre-Tapped Connectors
DN100 - DN250.

SLIPTYT® Collars
DN100 - DN150.

TYTON® Ductile Iron Fittings
DN100 - DN750. Cement lined bitumen coated or fusion coated

Flanged Ductile Iron Fittings.
DN80 - DN750. Cement lined bitumen coated or fusion coated

Seals for TYTON® Fittings.
TYTON® gasket for DIOD pipes. DN100-DN750.
TYTON-LOK® gasket for restrained joints. DN100-DN375.
PLASTYT® gasket for Series 1 PVC. DN100-DN450.

Valves

Resilient Seated Gate Valves
For below ground (sluice)
DN80 - DN600. Class 16. Flanged
DN100 - DN375. Class 16. Socketted
DN80 - DN375. Class 16. Spigotted

Metal Seated Gate Valves
For below ground (sluice)
DN80 - DN900. Class 16 & 35. Flanged
DN100 - DN375. Class 16. Socketted
DN100 - DN150. Class 16. Spigotted

Resilient Seated Gate Valves
For above ground
Rising Spindle (OS&Y) &
Non-Rising Spindle.
DN80 - DN300.
Class 16. Flanged

Metal Seated Gate Valves
For above ground
Rising Spindle (OS&Y) &
Non-Rising Spindle.
DN80 - DN300. Class 16. Flanged

Spring Hydrant Valves
DN80 - DN100.
Class 16.

Knifegate Valves
DN80 - DN1200.
Flanged, Wafer &
Lugged.

Hydrant & Air Valve Isolators
DN80 - DN100. Class 16 & 35.

SWASH® Swabbing Hydrants
DN80 - DN100. Class 16.

Swing Check Valves
DN80 - DN750.
Class 16 & 35.
Resilient Seated &
Metal Seated

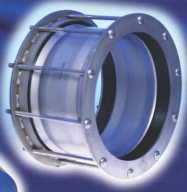

Butterfly Valves
DN80 - DN2000.
Flanged, Wafer &
Lugged

Accessories

Repair Couplings
DN80 - DN750.

Streetware

Stainless Steel Repair Clamps
DN12 - DN750. Class 16.
Plain, Tapped, Flanged

Tapping Bands
DN80 - DN450.

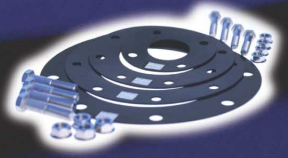

Uniflanges
DN80 - DN600.
Class 16.

Brassware
Ferrules, Maintaps, Ball Valves,
Gate Valves, Nipples, Bushes.

Dismantling Joints
DN80 - DN750. Class 16 & 35.
Thrust & Non-Thrust

Flange Sets
DN80 - DN750. Class 16 & 35.
