

## NEW GENERAL MANAGER FOR TYCO WATER

Introducing our new General Manager,  
Damian Mackey.

During his 8 years with Tyco, Damian has worked in various roles from Business Improvement to General Management. Damian has recently moved back to Australia from the UK. Whilst in the UK he was responsible for the successful turnaround of the Tyco Waterworks UK business; and most recently held the global role of Oil & Gas Global Operations Manager.

The last 2 roles and 5 years have seen him based in Cardiff, Wales. He has a BSc (Chem) and an MBA from AGSM. During the next 2 months he will be visiting many of Tyco Water's more than 30 manufacturing facilities and sales offices located around Australia, New Zealand, Asia and the Middle East.
